

There's nothing as rewarding as committing yourself to helping people and comforting patients. The Certified Nursing Assistant (CNA) program at Summit College teaches you the skills and knowledge you need to be part of a medical team that cares for patients in a multitude of healthcare settings.

CERTIFIED NURSING ASSISTANT PROGRAM AT SUMMIT COLLEGE

BENEFITS OF CNA TRAINING AT SUMMIT COLLEGE

- **Professional faculty focused on your success:** Your instructors have all done the job you're training for and use their experience to prepare you for real-world situations. They'll help you navigate your way through best practices for patient care, giving you confidence to succeed.
- **Comprehensive curriculum:** Your curriculum goes beyond the skills and basics—nutrition and hydration, mobility maintenance, patient psychology, safety—to using them in a way that employers want.
- **Support throughout your program:** Benefit from free tutoring, a Learning Academy with a career lab and career services that include resume assistance, mock interviews and workshops.

WHERE SUMMIT CNA GRADS CAN WORK

- Hospitals
- Nursing homes
- Long-term care facilities
- Rehabilitation centers
- Home healthcare companies

CAREER OUTLOOK

CNAs are crucial members of healthcare teams. According to O*NETOnLine, jobs for certified nursing assistants are predicted to grow 7 to 10 percent through 2028, which is much faster than other occupations.¹
