

Medical Assistants have versatile skills they can use in front office and clinical settings. They **help doctors and nurses care for patients** by performing routine procedures and also keep accurate notes and medical histories. Study medical assisting at Summit College and develop the confidence, skills and knowledge to succeed.

MEDICAL ASSISTANT ADMINISTRATIVE & CLINICAL PROGRAM AT SUMMIT COLLEGE

BENEFITS OF MEDICAL ASSISTANT TRAINING AT SUMMIT COLLEGE

- **Professional faculty focused on your success:** Your instructors have all done the job you're training for and use their experience to prepare you for real-world situations. You'll develop critical administrative and clinical skills through hands-on learning and will benefit from small class sizes.
- **Comprehensive curriculum:** Learn about phlebotomy and lab procedures, computer operations, body system functions, tool sterilization, EKGs, insurance claim processing and basic office procedures.

WHERE SUMMIT CNA GRADS CAN WORK

- Hospitals and clinics
- Physicians' offices
- Rehabilitation facilities
- Nursing homes
- Military facilities

CAREER OUTLOOK

Medical assistants can work in any type of healthcare facility, and they are in great demand. According to O*NETOnLine, jobs for medical assistants are predicted to grow 11 percent or higher through 2028, which is much faster than other occupations.¹
