***NON-REFUNDABLE COSTS DISCLOSURE** ED Code. §94911(b) are non-refundable charges that will be deducted from any refund due to me

Administrative Fees: The Administrative fee may include interview with Department Director, additional processing fees, Orientation, and student support services of a non-instructional nature and is non-refundable. **Insurance:** A Non-institutional charge covers a student accident insurance policy (secondary coverage) while they are on campus or at a school clinical/extern site or field trip and is non-refundable. Non-institutional charges “means charges for an educational program paid to an entity other than an institution that are specifically required for participation in an educational program. **Registration Fee:** The Registration Fee includes registration processing and records set-up, permanent record maintenance, Insurance set-up and the cost of one student identification card and is non-refundable. **Text Books/Materials:** "Text Books/materials" means textbooks, learning supplies, flash cards etc. that has been determined to aid in the learning of course objectives. **Uniform/Equipment:** Program uniform and personal equipment, tools, electronic devices or other goods related to gain the training, or experience required for participation in the program.

STUDENT’S RIGHT TO CANCEL

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You have the right to cancel this agreement for a course of instruction including any equipment such as books, materials and supplies or any other goods related to the instruction offered in this agreement, if notice of cancellation is made prior to or on the first day of instruction.

Cancellation shall occur when you have given notice of cancellation to the Campus of Summit College listed on the top of the page of this agreement or verbally to the Admissions Department. The notice of cancellation, if sent by mail to the address listed with postage prepaid should be directed to the attention of "Director of Admissions." The notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this agreement.

If the school has given you any equipment, including books or other materials, you must return them to the school within 7 days following the date of your notice of cancellation. If you fail to return this equipment, including books or other materials, in good condition within the 7-day period, the school will deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this agreement, the school will issue a refund, less any non-refundable fees and deduction for equipment not returned within the 7-day period and in good condition, within 30 days after your notice of cancellation is received. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. §94911(e)(2)

****TEXTBOOK/SUPPLY OPT-OUT**

The College purchases its textbooks and supplies in bulk at a reduced rate for students. However, all students have the option of purchasing the required books and supplies from a third party. If you would like to purchase your books and supplies elsewhere, as long as they are able to obtain these resources prior to course start. A list of books and supplies associated with your program of study is available in the catalog addendum. .* For LVN programs “opt out” is not applicable to books, electronic software or digital courseware fees due to accessibility. .* For LVN programs “opt out” is not applicable to books, electronic software or digital courseware fees due to accessibility.

*****STUDENT TUITION RECOVERY FUND STRF-5 CCR-76215(A) STRF ASSESSMENT OF IS NON-REFUNDABLE**

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

PROFESSIONAL LICENSURE DISCLOSURE

VETERAN'S BENEFITS

Enrollment & Benefit Explanation

The **School** Certifying Official (SCO) will meet with all prospective students that are eligible to use VA benefits in order to obtain information on the VA benefit the individual is eligible. The SCO will inform the prospective student of the certification process and provide information regarding what will be covered by the VA benefit and what the prospective student may be responsible. The SCO will explain that the student will be held to all policies and procedures contained in the Summit College Student Catalog. The SCO and Summit College will act in accordance to the Principles of Excellence as described below.

PRINCIPLES OF EXCELLENCE:

- Provide students with a personalized form covering the total cost of an education program.
- Provide educational plans for all military and Veteran education beneficiaries.
- We will not commit fraudulent and aggressive recruiting techniques and misrepresentations.
- We will make accommodations for Service members and Reservists absent due to service requirements.
- ❖ Designate a point of contact to provide academic and financial advice.
- ❖ Ensure accreditation of all new programs prior to enrolling students.
- ❖ Align institutional refund policies with those under Title IV, which governs the administration of federal student financial aid programs.
- Prospective students will be asked to provide the following documents prior to certification.
- ❖ Certificate of Eligibility, Statement of Benefits or VAF 28-1905 form for chapter 31
- ❖ Transcripts from previous education and/or military education and training

Transcripts will be reviewed by the Director of Nursing (DON) or Education Manager/Coordinator (EM/EC) for applicable transfer credit.

TITLE 38 UNITED STATES CODE SECTION 3679(E) SCHOOL COMPLIANCE:

Effective August 1, 2019 as part of the Veterans Benefits and Transition Act of 2018, section 3679 of title 38,

United States Code, Summit College adheres to the following:

NOTE: A *Covered Individual* is any individual who is entitled to educational assistance under chapter 31, Vocational Rehabilitation and Employment, or chapter 33, Post-9/11 GI Bill® benefits.

- We permit any covered individual to attend or participate in the course of education during the period beginning on the date on which the individual provides to the educational institution a certificate of eligibility for entitlement to educational assistance under chapter 31 or 33 (a "certificate of eligibility" can also include a "Statement of Benefits" obtained from the Department of Veterans Affairs' (VA) website e-Benefits, or a VAF 28-1905 form for chapter 31 authorization purposes) and ending on the earlier of the following dates:
 1. The date on which payment from VA is made to the institution.
 2. 90 days after the date the institution certified tuition and fees following the receipt of the certificate of eligibility.

Summit College will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement funding from VA under chapter 31 or 33.

In addition, Summit College will require Ch. 31 and Ch. 33 students to take the following additional actions:

1. Submit a certificate of eligibility for entitlement to educational assistance no later than the first day of a course of education.
2. Submit a written request to use such entitlement.
3. Provide additional information necessary to the proper certification of enrollment by the educational institution.
4. Summit College may also require additional payment or impose a fee for the amount that is the difference between the amount of the student's financial obligation and the amount of the VA education benefit disbursement.

"GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at <http://www.benefits.va.gov/gibill>."

SECTION 1018:

Section 1018 codifies in statute the following requirements:

Effective August 1, 2021 Section 1018 of Public Law 116-315, Johnny Isakson and David P. Roe, M.D. Veterans Health Care and Benefits Improvement Act of 2020, adds new requirements for educational institutions participating in the educational assistance programs of the Department of Veterans Affairs (VA). These new provisions became effective June 15, 2021 and will apply to Institutions of Higher Learning and Non-College Degree institutions beginning August 1, 2021. Many of the requirements are consistent with the requirements of the Principles of Excellence, currently in Executive Order 13607; however, there are requirements in addition to those embodied in the Principles of Excellence which schools must also satisfy to maintain approval for "GI Bill® participation.

Section 1018 codifies in statute the following requirements:

Section 1:

Summit College will provide a covered individual (a student using benefits under chapter 30, 31, 32, 33, or 35 of title 38, U.S.C., or chapter 1606 of title 10, U.S.C.) with a personalized shopping sheet that contains:

- Estimated total cost of the course that includes tuition, fees, books, supplies and any other additional costs.
- Estimated cost of living expenses.
- Amount of costs above that are covered by VA Education Benefits.
- Other types of Federal financial aid, not administered by VA that is offered by Summit College, that the individual may be qualified to receive.
- Estimated amount of student loan debt the individual would have upon graduation.
- Information regarding graduation rates.
- Information regarding job-placement rates for graduates, if available.
- Information regarding the acceptance of transfer credits including military credits.
- Any additional requirements including training, experience, or examinations that are required to obtain a license, certification or approval for which the course of education prepares the individual.
- Other information to facilitate comparison by the individual about aid packages offered by different educational institutions.
- Personalized shopping sheets will be provided within 15 days after tuition and fees are determined for the academic year if there is a change.
- Summit College maintains policies that:
 - Inform an enrolled covered individual of the availability of federal financial aid, not administered by VA that is offered by the institution.
 - Alert the individual of the potential eligibility for other federal financial aid before packaging or arranging student loans or alternative financing.
 - Prohibit automatic renewal of a covered individual in a course and/or programs.
 - Ensure each covered individual approves of the enrollment in a course. Allow enrolled members of the Armed Forces, including reserve components and National Guard to be readmitted if such members are temporarily unavailable or must suspend enrollment by reason of serving in the Armed Forces.
 - Accommodate short absences for such services in the Armed Forces.
 - Provide covered individuals the requirements for graduation and a graduation timeline.
 - Summit College agrees to obtain approval of the respective accrediting agency for each new course or program.
 - Summit College will designate an employee(s) to serve as a point of contact for covered individuals and family members seeking assistance with:

> Academic Counseling. > Financial Counseling. > Disability Counseling.
Other information regarding completing a course of education at Summit College

Section 2:

Summit College is liable by the appointed State Approving Agency in the event of the following infractions:

- Carries out deceptive or persistent recruiting techniques including on military institutions.
- Misrepresents payment of incentive compensation.
- During a 1-month period makes three or more unsolicited contacts to a covered individual via phone, email and/or in person.
- Engages in same day recruitment and registration.
- Provides a commission, bonus, or other incentive payment based directly or indirectly on success in securing enrollments or financial aid to any persons or entities engaged in any student recruiting or admission activities, or in making decisions regarding the award of student financial assistance.

Summit College formally adheres to Section 1018 of Public Law 116-315, Johnny Isakson and David P. Roe, M.D. Veterans Health Care and Benefits Improvement Act of 2020, by virtue of School Policy SOP105 and SOP5508.

ADMINISTRATION & FACULTY

Summit College instructors have been selected from the professional community where they excel at what they teach. This provides them with the opportunity to stay current on present and future needs and skills. They know what employers are looking for and are encouraged to convey this information to students. These professionals bring a practical hands-on knowledge of the workplace as well as a talent for teaching. Our Instructors are encouraged to inspire students to achieve personal goals as well as career goals through the attainment of knowledge, skills and self-confidence.

Summit also has an active Program Advisory Board comprised of professionals who are working in or associated with the industry for which training programs are taught. The function of the board is to provide a vital link with Summit in keeping programs current with industry needs. The board meets twice a year with faculty to share their knowledge.

AGENCY DISCLOSURES

FEDERAL STUDENT LOAN PROGRAM

THE U.S. DEPARTMENT OF EDUCATION HAS TWO FEDERAL STUDENT LOAN PROGRAMS:

The *William D. Ford Federal Direct Loan (Direct Loan) Program* is the largest federal student loan program.

Under this program, the U.S. Department of Education is your *lender*. There are four types of Direct Loans available:

- Direct Subsidized Loans are loans made to eligible undergraduate students who demonstrate *financial need* to help cover the costs of higher education at a college or career school.
- Direct Unsubsidized Loans are loans made to eligible undergraduate students, but in this case, the student does not have to demonstrate financial need to be eligible for the loan.
- Direct PLUS Loans are loans made to parents of dependent undergraduate students to help pay for education expenses not covered by other financial aid.
- Federal Pell Grant A federal grant for undergraduate students with financial need. A Federal Pell Grant, unlike a loan, does not have to be repaid

Entrance Counseling

A mandatory information session, which takes place before you receive your first federal student loan that explains your responsibilities and rights as a student borrower.

Exit Counseling

A mandatory information session which takes place when you graduate or attend school less than half-time that explains your loan repayment responsibilities and when repayment begins.

Make Satisfactory Academic Progress

You need to make satisfactory academic progress in order to continue receiving federal student aid. In other words, you have to make good enough grades, and complete enough classes (credits, hours, etc.), to keep moving toward successfully completing your certificate in a time period that's acceptable to your school.

Failure to repay a loan according to the terms agreed to in the promissory note. For most federal student loans, you will default if you have not made a payment in more than 270 days. You may experience serious legal consequences if you default.

A tool that allows the federal government or your guaranty agency to have your employer withhold a portion of your earnings to collect unpaid non-tax debts that you owe to the federal government. If you have a federal student loan in default, up to 15% of your disposable pay could be taken by the federal government or your guaranty agency to repay your debt.

MEDIAN LOAN DEBT

Reporting Year 2019
January 2019 to December 2019
Report Published May 2021

SUMMIT COLLEGE

Department	Program	Loan Debt
Allied Health Program	MEDICAL ASSISTANT – ADMINISTRATIVE AND CLINICAL	5,927.00
NURSING PROGRAMS	CERTIFIED NURSING ASSISTANT	NOT APPLICABLE TO LOAN DEBT
	LICENSED VOCATIONAL NURSING – DAYS LICENSED VOCATIONAL NURSING - NIGHTS	17,480.00
TECHNICAL/TRADE PROGRAMS	ELECTRICAL - IDL	6,105.00
	HVAC (HEATING, AIR CONDITIONING AND REFRIGERATION)	5,448.00
	WELDING - BASIC	5,644.00

ELECTRICIAN -IDL

Program Description:

The Electrician Program prepares our graduates for a career in the field of electricity both residential and commercial. Graduates will know the necessary core and specialty skills to successfully meet electrician standards and function in a new market. Instructional topics include: electrical safety, theories and tools associated with electricity, the National Electrical Code (NEC), wiring, power distribution, circuits, AC/DC motors and low voltage, cabling and green electricity. Special topics for this program will prepare students for an array of job opportunities including, but not limited to, electrical installation in residential and commercial settings.

Length of Program: 720 Hours

Number of Weeks: 36

Total Quarter Credit Hours: 55

Admissions Minimum Requirements

Summit College will not deny admission to any person for reasons of race, age, gender, sexual orientation, national origin, ethnic background, religious affiliation, or physical disabilities, but does reserve the right to deny admission to applicants who do not successfully meet admissions requirements.

To be eligible for admission to Summit's programs a prospective student must meet the following requirements:

Applicants for the Core and Technical programs must be of compulsory age, provide an acceptable High School diploma, GED or equivalent and complete an Interview with an Admissions Advisor. Students may enroll at any time; however, scheduled module start days are the only days that students may begin classes. Each module is designed and taught as a "stand alone" module. Therefore, students may begin instruction on the first day of any individual module in the program, and proceed until all the required modules have been completed per the individual program requirements. In certain programs, students may be able to start their training after the first day but no later than the second day of classes per California regulations.

Applicants for Nursing programs (LVN, CNA) be of compulsory age, provide an acceptable High School diploma, GED or equivalent, complete an Interview with an Admissions Advisor and LVN applicants pass the Wonderlic SLE entrance exam. Students may enroll at any time; for the next scheduled class. Nursing and CNA starts are scheduled throughout the year. Dates are posted on our Website. Students may be able to start their training on the first day of but no later than the second day of classes per California regulations.

Eligible Career Pathways admission is available on a limited basis for all currently offered Summit College programs recognized as core or trade. All applicants must complete an interview with a school representative to determine desire, ability and commitment, receive a tour of the campus and review the school catalog. An applicant who is not a high school graduate or has not passed the GED and is seeking admission into an ATB/Eligible Career Pathways program must take and pass a two-part, independently administered, nationally standardized test recognized and approved by the United States Department of Education that measures basic skills in reading and arithmetic. Summit College utilizes the Wonderlic Basic Skills (WBST) Test. Licensed Vocational Nursing and Certified Nursing Assistant are excluded.

Interactive Distance Learning:

In addition to the Admissions Minimum Requirements, Interactive Distance Learning programs require applicants to complete and pass the *"On-line learning readiness self-assessment"* to be eligible for admission. Interested applicants should have a computer, tablet or smart phone to access Summit's interactive learning platform – Canvas. For a hybrid program students must have a

fundamental understanding and the basic navigation experience of a computerized system to be comfortable with on line education. The platform allows students to follow the prescribed lesson plans, assignments, homework and course related requirements.

Additional Requirements:

- ✓ an up-to-date browser,
- ✓ additional software on your computer such as: Word and Power Point.
- ✓ Some of the documents in this course will be available to students in PDF form.
 - Adobe Acrobat Reader you can download it by going to <http://get.adobe.com/reader/>

All courses within this program consist of lecture and lab. Lecture hours include faculty instruction, classroom activities, discussions and assessments. The lab hours are comprised of hours specific to gaining industry related skills included, but not limited to, exercises and activities that strengthen and broaden a student's understanding of the job duties required of them in their chosen field.

Programs are offered in a hybrid format. Course sessions may be taught in a classroom setting or a laboratory located on campus. Interactive Distance Learning sessions are delivered on-line and off campus. Instructors facilitate each lecture in addition to group discussions to keep the course exciting and fun. Students will also experience various resources such as Summit's on-line library. At the beginning of each course students are provided a syllabus and class calendar explaining in-person required attendance (or) sessions scheduled for on-line learning. Participation is essential to student success in hybrid classes. Students are required to participate just as if they were in a face-to-face course. This means that in order to get full credit for participation: Students will have to complete discussion board assignments, responses to peers, lesson projects, collaboration, and tests in a timely matter.

Procedure for ALL students

Prospective students including students with special needs may apply for admission to the college by making an appointment to visit the Admissions Department. Applicants will be interviewed by an Admissions Advisor to ascertain their interests and previous educational and professional experience. Summit encourages parents or spouses of prospective students to attend this interview. Prospective students and family will then receive a tour of the facility and have an opportunity to ask questions. Students will need to provide a high school diploma, GED or equivalent. An interview with the Department Director may also be required for some programs. The applicant will be admitted to the program at the next available start date depending upon space availability. Seats are assigned on a first come - first serve basis to all qualified students. All students will be scheduled to meet with the Financial Aid Department for pre-qualification. To be eligible for financial aid, a student must have a high school diploma or equivalent.

Requirements for Graduation

Diplomas will be awarded to all students who successfully fulfill all graduation requirements and complete the "exit interview" process. Diplomas will reflect the achievement of those students who graduate with honors. A student must meet the following requirements at the time of graduation:

- ✓ Complete the required credit hours within the maximum number of credits attempted. This includes clinical and/or externship.
- ✓ Complete all requirements within 1.5 times the program length.
- ✓ Must meet a minimum of 80% attendance requirement of modules and 100% attendance for externship.
- ✓ Have a CGPA of at least 2.0 at the completion of the program.
- ✓ Participate in an exit interview and complete the required exit paperwork with Financial Aid.
- ✓ Meet with the Career Services Department and provide a current résumé.
- ✓ Fulfill all financial obligations to the College.

LICENSED VOCATIONAL NURSE LICENSURE

NURSING NCLEX PREPARATION

(Effective August 1, 2021).

Preparation for and passing of the NCLEX examination begins with the enrollment process as Admissions Advisors discuss the rigors of the LVN program and the importance of passing the Exam on the first attempt. Prior to August 1, 2021, the college had been partnered with HESI to engage students in test preparation throughout the program in all terms. After August 16th, Summit was in a new partnership with Assessment Technologies Institute (ATI) and the college began transitioning the students over at various levels in each term. ATI is a comprehensive, innovative, highly interactive resource that requires student engagement, focus and critical thinking which aligns with the branching logic of the NEXT Generation NCLEX Exam.

NCLEX BOARD TESTING – LICENSURE PROCESS

This process is to provide the Licensed Vocational Nurse (LVN) Students at Summit College with information related to testing and licensure before and after graduation. Please note in certain instances the State of California may delay the processing time for licensure testing and the awarding of a license following successful passing of the NCLEX test. As example the current average time between passing the NCLEX-PN and receiving a license may take upwards of 2 to 3 months. Furthermore, in order to be employed as an LVN individuals must have their license recognized on the BVNPT web-site. The entire licensing process can take as long as six to eight months from submission of paperwork to confirmation of license.

PRE-GRADUATION APPLICATION

The following process will take place for the student as preparation steps to sit for the NCLEX-PN Exam.

Term II and III

- Introduction to the NCLEX Department to briefly outline the process and requirements for application submission and participation for the NCLEX-PN exam.

Term IV

- Exit Paperwork is conducted 4-6 weeks prior to graduation.
- Students will complete application and live scan forms with the NCLEX coordinators.
- Live Scan is completed by a DOJ representative with a copy given to the NCLEX coordinator.
- Students will return the application paperwork known as “Breeze” with Username and Password to the NCLEX Coordinator for final processing.

POST-GRADUATION TESTING

Post-Graduation and RONG (Record of Nursing Program) submission requirements, application and testing procedures as determined by specialty scores. Please note “First time” NCLEX fees which include application and testing will be paid on behalf of the graduate by Summit College providing the Graduate has fulfilled all Pre-Graduation and Post-Graduation requirements.

- Graduates obtaining a score of 70% on the specialty exam and above will have their RONG signed and the application submitted within 10 days of graduation.
- Graduates with specialty scores of 69% or below must submit required number of predictor tests and achieve scores of 80%.
(Summit College policy is subject to change based on BVNPT/NCSBN/Pearson Vue data).
- Upon submission of passing predictor tests, the RONG is signed by the Director of Nursing and submitted based on

fulfillment of all BVNPT requirements within ten days of completion.

- Along with the submittal of the Nursing application, a LIVE scan will be submitted to the BVNPT.
- During this period, all graduates must submit 2 predictor tests weekly maintaining a minimum score of 80% prior to the scheduled test date. At least one of the two weekly predictors must be completed and proctored on campus.
- Once the BVNPT has processed the application, the Graduate will receive their “Eligibility Letter.” The Eligibility letter must be provided to the NCLEX Coordinator to obtain a test reservation. After verifying the graduate has maintained the predictor scores of 80%, the Coordinator will complete the application process online on the Graduate’s behalf.
- All registrations must be processed via the Pearson Vue website or through the Pearson Vue call center.
- The Authorization to Test (ATT) will be created using the information provided when the student is registered.
- After the profile is complete the student will receive the Approval to Test (ATT) code. The code will be valid for 180 days (6 months) from the date issued by the testing service.
- The Test registration will be completed by the graduate and NCLEX Coordinator in selecting an appropriate test date. When the date is selected the Coordinator will confirm the reservation.
*If requirements are not met after the application is submitted the Exam date will be rescheduled.

LICENSURE FEE

Upon receiving a passing score on the NCLEX Exam, the results will be communicated to the Graduate by the BVNPT. Once the Graduate receives the “PASS” letter the graduate is to provide this to the NCLEX department to arrange payment of the licensure fee on behalf of the graduate providing all post-graduation procedures were followed.
