

Nurses are needed every day—and even more in times of crises. As a Licensed Vocational Nurse (LVN), you'll **provide basic medical care to patients.**

This might include taking vitals, performing routine lab tests, prepping patients for exams or procedures and assisting doctors and nurses.

LICENSED VOCATIONAL NURSE PROGRAM AT SUMMIT COLLEGE

BENEFITS OF LICENSED VOCATIONAL NURSE (LVN) TRAINING AT SUMMIT COLLEGE

- **Professional faculty focused on your success:** Your instructors have all done the job you're training for and use their experience to prepare you for real-world situations. You'll develop clinical skills through hands-on learning and benefit from small class sizes.
- **Curriculum that provides a broad foundation:** In addition to clinical and skills fundamentals, you'll learn about various specialties, including obstetrics, pharmacology, pediatrics, nutrition and psychology and patient education for a solid foundation.
- **Flexible schedules:** Choose from day or evening/weekend classes that adapt to your lifestyle and responsibilities. Complete the program in just 12 months (full time) or 18 months (part time).

WHERE SUMMIT LICENSED VOCATIONAL NURSING GRADS CAN WORK

- Hospitals
- Clinics
- Physicians' offices
- Nursing homes
- Rehabilitation facilities

CAREER OUTLOOK

LVNs are in demand throughout the United States. According to O*NETOnLine¹, the projected job growth is 11 percent through 2028, higher than average. In California, the need for LVNs is even greater: an expected growth rate of 17 percent through 2026.
